Exception Analysis: Budget Stall

• WHAT HAPPENED

Budget Controller **Raj Patel** hasn't responded to the 48h automated reconciliation request. The request exceeds the auto-approval threshold of £120k for Creative roles in London (currently £145k total package).

• WHAT THE AGENT TRIED

- ✓ Sent urgent Slack notification to Raj Patel (Tue 14:00)
- ✓ Attempted email escalation to Finance Desk (Wed 09:00)
- ⌚ Wait for manual bypass (Active timeout: 6h remaining)

AGENT RECOMMENDATION

"Reroute approval to **Anita Shah** (SVP Creative Services). Anita has delegated authority for budget overrides up to £200k and is currently online."
