

# Felix Becker

Werkstudent Frontend Engineer

c-we-de-01@example.com · DE · candidate id C-WE-DE-01

## EXPERIENCE

Werkstudent Frontend Engineer · Synth Corp 1

2020-01 – 2024-06

- Designed and shipped a Durable Functions pipeline ingesting 30k claims/day with sub-second p95 latency.
- Led migration from a snowflake-of-bash to a typed Python data layer; cut on-call pages by 70%.
- Owned the cost-attribution model that surfaced \$1.2M of annual savings on idle compute.

## EDUCATION

BSc CS · Synthetic University · 2017

## SKILLS

|            |       |          |
|------------|-------|----------|
| typescript | react | tailwind |
|------------|-------|----------|

## RIGHT TO WORK

Jurisdiction: DE · Evidence: blue card
